

Illness Policy

(Please refer to the Parent Handbook for more detailed Information)

The Parent Handbook can be found on the website at www.horizonstutor.com, or in the band app. If you are not in the band app please let me know so that I can add you to the class communication board.

If your child or someone in your home has a fever of 100.5 or higher they must remain home from session, or if your session is at your home you must notify staff asap so that we can do our best to get your session made up. We have multiple kids in class that have weakened immune systems so please follow these guidelines. They can return to session or begin services again once they have been fever free for 24 hours. If your child or someone in your home has diarrhea or vomiting please do not send them to their session or if their session is in your home please notify staff as soon as possible. If you or your child comes down with a communicable disease or illness please report it to Rebecca Thomas by phone at 480-436-3883 or by email at info@horizonstutor.com.

We will follow all cdc guidelines in this instance
